25X1 MEXICO-US: The US consul general in Guadalajara was kidnaped last night by urban guerrillas who demanded as ransom the release of 30 "political prisoners" held in Mexico. According to a communiqué from the kidnapers, the American will be freed when the released prisoners are safe in Cuba. The terrorist group has been identified as the Revolutionary Armed Forces of the People, which the Mexican police believe is associated with the Lucio Cabanas guerrilla band that normally operates in the mountains northwest of Acapulco. 25X1
